

FILMDUKES SECURITY PACKAGES FOR PHOTOGRAPHERS, CINEMATOGRAPHERS AND VIDEO EDITORS.

Filmdukes Media Wave Pvt. Ltd is the Leading Production House in Nagpur. There are many Talent Agencies which only concentrate on the career of Models, Actors and Singers. But we are bringing you packages which can bring you work as Photographer, Cinematographer or Video Editor. Join us by selecting any one package and secure your career as Photographer, Cinematographer or Video Editor.

There is no guarentee in Photography, Cinematography or Editing career that you will get work and projects. Hence we have made these packages by which you can be sure that you will get work from filmdukes in coming months.

Description: Shoothelp.Com has a Talent Branch where we acquire talent. We offer business opportunities for individual Photographers, Cinematographers and Video Editors. To tie-up with us, any individual can buy a business package of his/her join and in return we provide them business.

Below are some columns which you must understand before proceeding.

Photography and Cinematography Package Price – This is price of package which photographer or cinematographer can buy from Shoothelp.com

Per Day Payment You will get from us. – Depending on package one buys, that photographer or cinematographer will be paid this amount per day. For Example: If a photographer buys a business package of 4000 rupees, he/she will be paid 2000 rs. Per day when we give them project.

Number of Days You Will Get Work from us. – This are the number of days that photographer or cinematographer will get business. For Example: If you are a photographer who buys 5000 rupees business package, you will be paid 2500 rupees per day. In this package, we will provide you 10 days of business which means your total earning will be 2500 rupees x 10 days = 25,000 rs. So by buying package of 5000 rupees, you will be paid 2500 rupees per day and you will get 10 days of business which brings you 2500 rs. Per day x 10 = 25,000 rs.

Your Number of Days will be completed in Below Mentioned Months. – When a photographer or cinematographer buys a business package from us, we guarentee particular days of business from from us but those days will be spread in following months. For example: If you are a cinematographer who buys 3000 rupees package, you will be paid 1500 rupees per day and you will get 10 days of business but those 10 days will be spread in 6 months. You will get 10 days business, but on the first month, you may get 1 day business, but on second month you may get 3 days business. On third month you may get 2 days business and on fourth month you may get 4 days of business. So you get 10 days of business where you can earn 1500 rupees per day but those 10 days will be spread in 6 months.
